About this section . . .

We want to approve your application! This section is provided in case there is anything else you would like us to consider during the review process.

For example, if you think there may be negative historical information in your credit report due to financial problems you have experienced in the past, it may be helpful for us to have your comments on the cause of the past problems and how you have corrected them. Or, if you anticipate a significant salary increase in the near future, you may want to comment on the amount and certainty of the change.

You may also use this space to tell us about regular income you receive other than your salary. Please note that alimony, child support, or separate maintenance income need not be revealed if you do not wish to have it considered as a basis for repaying your obligation to us. **Continue on additional sheets if necessary.**
